Thanks to NBC and the Today Show for doing a story on the pandas moving from Wolong to Bifengxia and how they are currently doing!

Cameraman Maurice Roper's face shows the sheer joy of getting up close and personal with these magnificent animals. This may have been his best photo assignment ever—getting hugged by a panda!

Dr. Zhang Hemin, "the father of pandas," and his staff have done an outstanding job of moving the pandas to safety, getting them acclimated to their new home, and

assuring their continued health and safety. **With only 1,600 Giant Pandas remaining, every life is precious.**

Pandas International provided the incubators shown in the photo immediately after the earthquake — thanks to supporters like you!
